MONTEREY COUNTY SUPERIOR COURT ANNOUNCES TRAFFIC CALENDAR AND SERVICES NOW AVAILABLE IN GREENFIELD

Monterey County Superior Court is pleased to announce that the Traffic Division has added a South County Traffic Calendar, as well as a variety of related services, which will be held on the second Tuesday of each month at the Greenfield City Council Chambers.

The change is part of the Court's commitment to enhance access to services for South County residents. Starting June 11, 2019, the court will hold a traffic arraignment calendar and a limited walk-in calendar for defendants whose appearance dates have not passed. Additionally, a traffic clerk will be on site to provide services, including monthly payments/payment plan set up, bail and proof of correction payments, traffic school referrals, extensions and general traffic information.

"We have offered Self Help Services at the Greenfield City Council Chambers for over a year," said Presiding Judge Lydia Villarreal, who thanked Greenfield city officials for their help in coordinating the new court service.

"We are pleased to be able to now add a monthly traffic arraignment calendar. We will continue to explore opportunities to expand services."
